SMITH CHARITIES.

This Institution was founded by Oliver Smith of Hatfield, who died Dec. 22, 1845, leaving an estate valued at $370,000. In his will he directed that a board of trustees should be constituted in the following manner: The towns of Northampton, Hadley, Hatfield, Amherst and Williamsburg in Hampshire County, and Deerfield, Greenfield and Whately in Franklin County, shall choose at each annual meeting a person who shall be called an elector. The electors were to choose three persons who should constitute a board of trustees, who were to have control and management of all the funds. He then set apart the sum of $200,000, which was to be managed by the trustees as an accumulating fund, till it should amount to the sum of $400,000. This accumulated fund was then to be divided into three distinct funds; one of $30,000 to found the "Smith Agricultural School," at Northampton; the second of $10,000, the income to be paid to the American Colonization Society, under certain restrictions. This society failing to comply with the terms of the will, this fund was incorporated with the agricultural fund. The third of $360,000 for indigent boys, indigent female children, indigent young women and indigent widows. The remaining portion of his property was constituted a contingent fund to defray expenses and keep the principal funds entire.

Since the will went into effect, in October, 1848, to May 1, 1888, there has been paid to the people of the eight towns named, for

Indigent Widows,	210,950 00
Indigent Young Women,	114,550 00
Total,	$1,074,514 01

The total amount of the several funds May 1, 1888, was $1,146,638 87, and is mostly loaned on real estate represented by the following funds, to wit:

Joint Fund,	$624,336 53
